

I would like to acknowledge the traditional custodians of this land the Whadjuk people of the Noongar nation and pay my respects to the elders past, present and emerging. We walk together on this pathway leading students in their discovery of themselves, their language and their community. We nurture strength, power and belonging to place and country and encourage each and every voice.

From the Principal's Desk

Term Two is well underway and it has been a wonderfully positive start. Classrooms are buzzing with learning, creativity and enthusiasm as students settle into new routines and projects.

Over the past two weeks, all campuses have held ANZAC ceremonies. Students have also taken part in a range of learning activities linked to ANZAC Day as part of our Humanities and Social Sciences (HASS) curriculum.

A big thank you to our amazing P&C for organising Mother's Day stalls across the campuses this week. Each campus will also draw its Mother's Day raffle shortly. We know many classes have enjoyed welcoming mums into classrooms to share in some special activities.

This term we are holding two upcoming Information Mornings for potential families in 2027. The first will be held at our Cloverdale Campus on Thursday 14 May, followed by the Maddington Campus on Friday 15 May. Both sessions run from 9.30am to 10.30am and are aimed at parents and speech pathologists considering an application for 2027. Please RSVP through the main office. Further details can also be found on our Facebook page and website.

As the weather cools, we remind families to ensure contact details are current so we can stay in touch when needed. This time of year also brings cold and flu season, so if your child is unwell, we ask that they remain at home to rest and recover. Please make sure students are dressed appropriately for colder, wetter days, and that all jumpers and jackets are clearly named to help return lost items to their owners.

Looking ahead, we will be celebrating Reconciliation Week with a variety of cultural experiences and learning opportunities that highlight and honour our diverse community. This year, students will take part in a whole-school excursion to King's Park Naturescape. More information will be shared with families in the coming weeks.

Parent Interview Day – School Closure

In line with recent Department of Education (DoE) changes, the school will be holding a dedicated **Parent Interview Day** on **Monday 29 June 2026**. To allow teachers the time needed to meet meaningfully with families, **the school will be closed to students on this day**, similar to a School Development Day.

There will be **no classes and no students on site**. School bus services will be notified and **buses will not be operating** on this date.

Teachers will be contacting parents and carers directly to arrange interview times. Meetings may be held **in person, via phone, or by video link**, depending on family preference and availability.

We appreciate your support of this important opportunity to strengthen communication between home and school and to discuss student progress and goals.

Further details will be shared closer to the date.

Warm regards,
Ronnie O'Neil
Principal

Community News.....

SELDC P&C NEWS

Hello everyone. Term Two is off to a flying start with our Mother's Day stalls and raffles occurring this week. Congratulations to the raffle winners and thank you to those that donated items and/or purchased raffle tickets.

The P&C were also successful in securing a \$1000 grant from Perth Airport Community Boost. These funds will be going towards a new naturescape playground at our Cloverdale campus.

Next Thursday (14th May) is Apraxia Awareness Day. Childhood Apraxia of Speech (CAS) is a neurological motor speech disorder that makes it hard for children to speak, struggling with planning the movements required for speech. Wear blue on Thursday 14th May to raise awareness and show your support for the children living with apraxia.

We'd love your support this May! 🍷

South East LDC is part of Grill'd Local Matters at **Ascot, Carousel & Harrisdale** 🇺🇸

If you're grabbing a burger, please pop your token in our jar 🍔

Every vote helps us fund resources and opportunities for our students 🙌

Thank you for supporting our school community!

Coming up in June, we will be having a Donut Day celebrating National Donut Day....stay tuned for details! Donuts will be available for order through the Spriggy app.

For those that ordered through our cookie dough fundraiser, delivery is expected later this month. Thanks again to everyone who purchased tubs 😊

Kind regards

PBS UPDATE

PBS Update...

The focus expected behaviour for Weeks 3 and 4 is...

We ask for help when unsure.

At our school we work hard to be our best by asking for help when we are unsure. It is important to be your best by asking for help when unsure because we come to school to learn. If we do not know how to complete a task or we are stuck, we need to ask for help so that we can continue to learn and finish the task.

PBS Update...

The focus expected behaviour for Weeks 5 and 6 is...

We always have a go.

At our school we work hard to be our best by always having a go. It is important to be your best by always having a go because we come to school to learn. We need to have a go at everything at school even when things are hard or we make mistakes, so that we can grow our brain and learn new things. If we don't try, we don't learn.

SELDC PERMISSION FOR ONLINE SERVICES 2026

Dear Parents and Caregivers

At South East Language Development Centre, the students use different apps on the iPads and some computer programs to enhance their learning. The Department of Education has asked all schools to review the range of websites and apps that children use whilst at school. Parents need to give permission for their child to use these apps and services at school.

This permission will be valid until your child leaves the South East Language Development Centre.

SCHOOL PHOTOS TERM 2 – ARMADALE CAMPUS

A note for your diary - School photograph days are coming up.
