

I would like to acknowledge the traditional custodians of this land the Whadjuk people of the Noongar nation and pay my respects to the elders past, present and emerging. We walk together on this pathway leading students in their discovery of themselves, their language and their community. We nurture strength, power and belonging to place and country and encourage each and every voice.

From the Principal's Desk

Great to see everyone back on board after the long weekend. We had a great lightning show to help pass the time. Week 6 and racing to the end of the term. Arrival times at all campuses are the same. Classes start at 8.30am. Doors open 15 minutes before school starts. We encourage all children to arrive then and not earlier for safety reasons. Staff in our early childhood areas set up outdoor equipment for the day's lessons so please keep clear of this. Each campus has a different finishing time. We are mindful that many families have pickup times for other children at other schools. It is important to be as prompt as possible to collect your child. After a busy day learning the last thing your little one wants is to be spending extra time at school.

It is great to see the healthy lunches and snacks that children are bringing to school. 'Healthy Eating' at school is important. We encourage eating healthy food and discourage eating cakes, chips and lollies. Please avoid these foods in lunch boxes. Each class also takes part in our "Crunch and Sip" program daily. We ask that all students bring along a piece of fruit or vegetable to share. We have severe nut allergies and each of our campuses are 'Allergy Aware'. This means that you must not send any foods containing nuts to school with your child. This includes peanut paste, Nutella and snack/muesli bars which contain nuts. This is serious and can be life threatening for those children who have severe allergies. If you are unsure about any of this information, please ask class teachers for help.

To make good progress your child must attend school. Children with DLD need to have special teaching and learning programs. Your child must be at school every day to make sure the language outcomes are as successful as possible. We do encourage you to try to take any holidays within the allocated school holiday times. Missing several days of school does have an impact on children's learning. They miss out on new work, and it is sometimes difficult to catch up on this.

Only three weeks left this term. We finish the term on Thursday 28 March. School returns on Monday 15 April with both children and teachers starting on that day.

STUDENTS ON THE SCHOOL BUS

Just a reminder to parents that it is extremely important that you inform your **child's teacher and the bus driver** either by phone or in writing if your child will not be taking the bus home, as it can be very confusing at the end of the day – **if we have not been informed of any changes your child will be put on the bus.**

Community News.....

Dear Parents and Caregivers,

At South East Language Development Centre, the students use different apps on the ipads and some computer programs to enhance their learning. The Department of Education has asked all schools to review the range of websites and apps that children use whilst at school. Parents need to give permission for their child to use these apps and services at school. This permission will be valid until your child leaves South East Language Development Centre.

To give or decline consent, please follow this link or scan the QR code :

PBS Update...

The focus expected behaviour for Weeks 7 & 8 is...

We keep our hands and feet to ourselves.

At our school we are safe by keeping our hands and feet to ourselves. It is important to be safe by keeping our hands and feet to ourselves because everyone has a right to feel safe all of the time. We come to school to learn and play and everyone needs to make sure they are keeping their hands and feet to themselves so that no one gets hurt.

PBS Update...

The focus expected behaviour for Week 9 is...

We use kind words.

At our school we are kind by using kind words. It is important to be kind by using kind words because everybody comes to school to learn and play. We need to speak nicely and be friendly to others so they feel happy and safe at school. This is part of being a good friend. We want others to be happy so we can all have fun and learn together.
