**IMPORTANT DATES:**

**TERM DATES**

- Term 1 2020 ends - Thurs 9 Apr
- Term 2 2020 begins - Wed 29 April

Welcome to week four of this fast paced term.

A reminder that we endorse and follow the Department of Education policy of No Hat, No Play and encourage all students to be sun smart. Please make sure you have your child's name on their hat.

Unfortunately, we were unable to hold our Parents and Citizens Association AGM last Friday. If we are unable to fill the committee positions, we will not be able to run a P & C. Please take some time to consider how you could contribute to this vital part of our school. The P and C Association work hard to support our program and it's a great way to meet other families. It is only a small commitment of time that can make a big difference to the support the school can get. If you'd like more information, please contact our main administration. I know that the P & C has some terrific events in mind for this year and will appreciate your support.

Please remember that your communications books are a vital link between home and school and that we are always available on the telephone to discuss any queries you may have. You will also have received information at your class meeting about Connect Community for Parents. This is a great way to stay in touch with your child's class and keep up with all the exciting things happening in the school. For more information, please contact our main administration.

A reminder about arrival and pick up times from each of our campuses. It is great to see all the efforts being made to ensure children arrive for school on time. Classes will be open 15 minutes prior to each siren time. We encourage all children to arrive at this time and not too much early for safety reasons. If for some reason you are arriving early a friendly reminder to ensure you are mindful of your child's safety and keep a watchful eye on them. Staff in our early childhood areas will have been setting up outdoor equipment for the day's lessons so please keep clear of this.

Monday is a long weekend and school will be closed. We look forward to seeing you all back after an extra days rest on Tuesday.

Regards,  
Ronnie O'Neil  
Principal

**CANTEEN CLOSURES**

Armada Campus canteen will be closed on Thursday 27 February.  
Maddington Campus canteen will be closed on Tuesday 3 March.

## P&C NEWS WEEK 3

On the 21st of February, we did not have the correct number of people attend. Due to this, we were unable to vote in executive positions for the P&C. We have recently sent out a survey, if they could be filled in and sent back ASAP, that would be appreciated. The next AGM will be on Friday the 13th of March . If we are unable to attain the correct number of members there may be no functioning P&C this term.

The P&C are proud to support all our Campus activities and hope to be able to continue this year.

## CLOVERDALE DENTAL CLINIC

### CLOVERDALE SCHOOL DENTAL CLINIC INFORMATION

Cloverdale Dental Clinic is open from **8am – 4pm** Monday to Friday.

We are a free service and cater for school age children/teens from **Kindy & Pre-Primary from the year they turn 5 to the end of year 11 or their 17<sup>th</sup> Birthday, whichever occurs first.**

If your address has changed/changes, please call us, as we send appointments to your home address, we also require current mobile phone numbers to send out text message reminders.

## Week Four

### The world is scary sometimes!

Books can be a great way to help our children with fears or tricky situations that they may see on the news or hear on the radio (like bushfires or floods). This is a link to a website that lists a range of books to read with your child to help with their anxiety.
