

# DLD

## Developmental Language Disorder

### • HOW YOU CAN HELP •

#### Attention

Get their attention before you say something.

#### Time

Give extra time to process information, think of ideas and complete tasks.

#### Repeat

Repeat instructions and information.

#### Simplify

Give longer instructions and information one part at a time.

#### Explain

Why the information is important.

#### Show

Show them what you want them to do.

SELDC 2021 Helen Fahey
